## Top Folding Stock

TOP FOLDING STOCK WITH PISTOL GRIP. Shotgun functions in open or closed position. Includes rear pistol grip. Quick release button allows stock to fold/unfold instantly. Fits 12/20GA Remington 870, Mossberg 500/590/835, Winchester 1200/ 1300, Norinco 98 Series & Maverick 88.

**Part Number: TFS0600**

## Remington 7 Shot Mag Extension

Fits Remington 12 GA pump shotguns. **IMPORTANT:** Must not extend past end of barrel. Will increase capacity to 7 rounds. Will not rust or dent. Comes with new spring and instructions. Minimum barrel length for 7 shot extension is 18 1/2". Fits 870, 1100 and 1187

**Part Number: SMR0700**

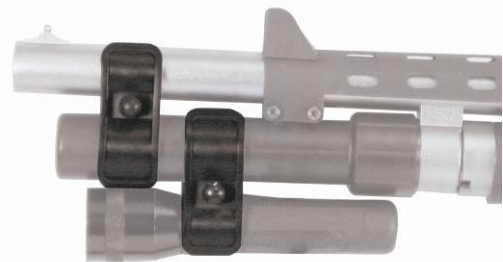

## Shotforce Rear Pistol Grip

12 and 20GA Shotgun Rear Pistol Grip. Designed with an ergonomic, textured grip for maximum control and comfort. Adapters are included. Fits 12/20GA Remington 870, Mossberg 500/ 590/835, Winchester 1200/ 1300, Norinco 98 Series & Maverick 88.

**Part Number: SRG0200**

## Shotgun Clamp

Used to strengthen the connection of the mag extension to barrel. Includes sling swivel stud which is reversible for right or left-handed shooters. May also be used to mount 1" diameter light or laser to barrel. Fits all 12GA Shotguns

**Part Number: SMC1100**

## Shotforce Heat Shield

SHOTFORCE DELUXE HEATSHIELD WITH GHOST RING SIGHTS. Heatshield fits all 12, 16, 20 and .410 gauge shotgun barrels. CAR-15 style fixed nylon ghost ring sights further enhance the high quality steel heatshield which has elongated cooling slots. NOTE: Heatshield must be slotted and ghost ring sights removed when used on scoped rifles.

**Part Number: SBS4600**

## Pistol Grip Buttstock

12GA and Pistol Grip Buttstock. This full length stock features a slim, ergonomically designed pistol grip for maximum control, a recoil pad and sling swivel stud. Fits 12/20GA Remington 870, Mossberg 500/590/835, Win. 1200/ 1300, Norinco 98 Series & Maverick 88.

**Part Number: SPG0100**

**Please Note when fitting Pistol Grips:• Under current Arms Act p.27 altering any firearm so that its total length is less than 762 mm reclassifies it as a pistol**

**Part Number: BIP0300**

# ATI Gun Stocks and Accessories

## Shotshell 12ga Holder

Durable elastomeric polymer 5-shell carrier mounts securely with screws. Fits Top Folding Stock on either side of any full length wood or synthetic stock. Quick and easy access to extra 12 GA rounds. Comes with Required Hardware

**Part Number: SHO0500**

## Tactical Shotshell Holder

Five additional 12 GA shotshells are easily accessed from the elastomeric polymer shotshell holder. Shell holder adapts easily to mounting plate, which provides a secure attachment to the buttstock. Backplate and shell-holder can be mounted on right or left side of buttstock. Designed for right or left handed shooters, it is specially engineered for the SHOTFORCE AR-15 type Buttstock

**Part Number: SBS4300**

## Shotforce Tactical Buttpad

The Tactical Buttpad offers additional stability and fits most AR-15/M-4 type stocks. It has a checkered non-slip surface and provides air cushioned recoil reduction.

**Part Number: SBS4700**

## ATI Shotgun Standard Forend

No jamming! Designed NOT to overlap the shotgun's receiver when cycling the pump action, thereby reducing the chance of a momentary jam by sling or clothing. Adapters included. (Will not fit Maverick 88). FITS: 12/20GA Mossberg 500\*/535/590/835, Remington 870, Winchester 1200/1300. Note\* Synthetic Forends on new Mossberg Model 500A cannot be replaced because action bars are attached to forend.

**Part Number: SFS0400**

## ATI Adjustable Cheekrest

Adjustable Cheekrest Can be adjusted 3/8" Removable/Adjustable. Used with Advanced Technology Incs Six-Position Collapsible Stocks (MRW4100, MRF6200, MRF6200C). FITS: ATI Six-Position Collapsible Stock. Part Number MRW3700

**Part Number: MRW3700**

## ATI Shotforce Heatshield

12GA Shotgun Heatshield. Made from formed steel. Elongated cooling slots allow maximum, quick dissipation of heat for ultimate protection against burns. Simply slide over barrel and secure with supplied hardware. Matte Finish! 13-1/2" long. Fits: Most 12GA Pumps, Mossberg 500/535/590/835, Remington 870, Winchester 1200/1300, Maverick 88, etc

**Part Number: SHS1300**
