KNOXX Stocks

MANUFACTURER OF THE WORLD'S FINEST MILITARY, LAW ENFORCEMENT, CORPORATE SECURITY AND OUTDOOR GEAR

Knox Breach Grip Recoil Reducing Pistol Grip

Based on the highly effective Spec Ops Stock, this shotgun pistol grip cuts recoil in half and makes firing breaching rounds or heavy loads painless and easy. This product is so effective in reducing painful recoil that a BreachersGrip equipped shotgun can be used effectively onehanded, even with magnum loads. Ideal for home defense or close quarters combat. Attach a sling and your shotgun is ready when you need it or out of the way when you don't. For Remington 870

Knox Breach Grip Recoil Reducing Pistol Grip

BLACKHAWK! KNOXX SPECOPS STOCK
From the longest arm of the law to the shortest, the popular SpecOps Stock™ is instantly adjustable to fit any shooter. With over 4 inches of adjustment, this is a stock that the entire department can use comfortably in any application and with any load.

This patented Knox recoil-reducing stock will revolutionize the way you think about shotguns. Utilizing dual Knox recoilcompensating systems, the SpecOps Stock has the ability to **reduce felt recoil of even the most potent loads by up to 95%**. The SpecOps Stock™ makes even the heaviest loads easy for all shooters to handle!

Designed to fit any and all shooters, and practically devoid of recoil, the SpecOps Stock™ is the most popular of the Knox line of recoil-reducing products. Not only is it utilizing two recoilabsorbing mechanisms to soak up recoil, it also adjusts to fit any shooter regardless of the situation or application.

Hunters and competitive shooters will find their scores and hit ratios improving as flinching and recoil anticipation dramatically decreases.
