|          |   |
|----------|---|
| HS 70175 | <b>Mac Daddy Elk (wapiti , Sika) Call with Mini Grunt Tube and CD</b> |
|----------|---|

The revolutionary Mac Daddy® is a bugle and cow call all wrapped into one. It is so easy to use that even the beginner can blow it. The Mac Daddy sounds are deep and rich, making them irresistible to the craftiest old bulls. This call includes a mouthpiece with removable baffle, small removable grunt tube and lanyard with four loops. The mouthpiece features the new Infinity Latex™. The Mac Daddy's unique internal diaphragm is easily operated by simply changing the amount of pressure placed on the plunger while blowing the call. Hunter's can reproduce deep resonant bugles and nasal cow calls to entice big bulls into range. The baffle tones down volume for close-in calling. Includes Advantage® Max-1 camo cover and instructional DVD.
