Streamlight Enduro—Camo

Streamlight® Enduro™ High-Flux Ultra Compact LED Headlight. One of the lightest, brightest, most comfortable headlamps available today

PART NO. SL61405

Streamlight Nano-Light

Streamlight's Nano Light flashlight is super bright (10 lumens) and is made of virtually indestructible machined aluminum with an anodized finish, weatherproof, and fits on your key-chain!

PART NO. 73001

Streamlight Super Tac

The Super Tac™ is an extremely high performance lithium battery-powered flashlight featuring latest in C4 LED technology for extreme brightness and long range illumination combined with a push button momentary or constant "on" tail cap switch for one handed operation.

C4 LED, shock-proof with a 50,000 hr lifetime, is 3X brighter than a super high-flux LED
 Up to 30,000 candela (peak beam intensity); 135 lumens measured system output.
 Deep-dish parabolic reflector produces a long range targeting beam with optimum peripheral illumination to aid in navigation. Optimized electronics provide regulated intensity.
 Runtime: up to 3.5 hours to the 10% output level
 Anodized Machined Aluminum
 Two 3V CR123A lithium batteries (included)

PART NO: 88700

Streamlight Camo Packmate

Buckmasters PackMate, features four lighting options, including two levels of C4 LED technology and both high and low night vision green LED settings.

PART NO: 51057

Streamlight Camo Clipmate

The new ClipMate is a small but durable clip on flashlight that gives you the power of three super bright, 100,000hour LEDs. In Night Vision Green, which is visible for more than a mile away.
